Maria: Dad, please, can we go to that chocolate store today here in New York?

Dad: Ok. Your brother and sister want to go there, too. The problem is I'm not sure where it is.

Maria: We can use the map app that I installed yesterday to find it, Dad.

Dad: Ok, good idea. What does the app say?

Maria: Well, it's between Central Park and Times Square. It's on the corner of 7th Avenue and Broadway. So, to get there we need to take the bus to Times Square and get off at the 5th stop at Times Square. Next, we need to turn right at the corner in front of the Broadway ticket office. After that, we need to turn left and walk straight ahead for nine streets. That should take us straight to the front door of the store.

Dad: That sounds simple. Let's go and convince your Mum.
