1. Here you have an email from Carol to her friend Sally.

As you can see, capital letters and punctuation are missing.

Rewrite it on your notebook adding capital letters where needed and the correct punctuation.

2- During the English lesson today you read about different festivals in three different countries.

Imagine you have been offered 2 tickets for one of those festivals and you want to invite a friend to go with you.

Write an email inviting him or her to go to the festival with you. You can take Carol's example to help you.
