1. This activity will help you to have a dialogue between you and a friend about a concert using only the information on the ticket.

**You are STUDENT A.**

You have this ticket for the concert so you know all the information about it. You have to answer your friend's questions.

**Student B**

You don't know anything about the concert. Ask student A some questions about it. Write the questions you want to ask to help you during the speaking activity:

1. Who \_\_\_\_\_ ?
2. When \_\_\_\_\_ ?
3. \_\_\_\_\_ address?
4. Which row / section \_\_\_\_\_ ?
5. How much \_\_\_\_\_ ?

Your friend is **STUDENT B.**

He doesn't know anything about the concert so he has to **ask the questions** using the clues given in his card.

Write his questions and your answers to make a dialogue.

2. A friend of yours is a great fan of Bruno Mars! He bought 2 tickets to attend one of his concerts and he wants to invite you to go with him.  
The problem is this artist is not amongst your preferences.

**Write and “role-play” the dialogue between you and your friend disagreeing with his preferences.**
