Have you got any relevant experience?

I've got some experience already **because** I've always enjoyed volunteer work. Last year, for example, I was a maths tutor. **Because of that**, I know how to explain things clearly to other people.

What are your volunteering preferences?

I'm a technology fan and I love ICT at school, **so** I'd like to help people learn about computers. For example, my grandparents didn't know anything about the Internet, **so** I taught them to use email. It was fun!

Do you have the ability to work with others?

Because I'm quite patient, I usually get along well with other people. I'm also comfortable with giving speeches. **Because of** my confidence in public speaking, I don't get nervous with large groups of people.

Write about your other personal qualities.

I'm quite an organized person and I'm very responsible. **Because of that**, I'm always on time and I always try to do my best work. I think those are important qualities for any job.

2. Fill in your own application form to be a volunteer.
